ANNOUNCEMENT

Minnesota Shorthorn Breeders Association

1911 - 1948

The Minnesota Shorthorn Breeders Association was organized under the laws of Minnesota on November 28, 1911, and is a non-profit corporation. The Incorporation papers show the officers O. F. Henkel, Kenyon, president; S. G. Eliason, Montevideo, vice president; and R. W. Leach, Minneapolis, secretary and treasurer.

Article II reads as follows: "The purpose of the Corporation shall be to unite the Shorthorn Breeders of Minnesota in an effort to breed better Shorthorns, to promote the use of purebred sires, to improve the methods of growing and marketing Shorthorns, and to further the Shorthorn interest in the state."

For thirty-seven years that has and is the aim of the Minnesota Shorthorn Breeders Association. To show that the Association has been a success throughout these many years we now have Registered Shorthorns in every county of the state. It is true that they have followed the modern trend branching off to specialize by stressing certain types and differences until we now have organizations in both the beef type and the milking type and these again into horned and polled organizations. The different branches are only outgrowths caused, you might say, by this age of specialization, which usually stresses certain types and values of a product. But the foundation that they are all built on was "Shorthorn," that gentle personality cow that has "weight for age" and did, and still fits herself on any farm or ranch, any place. The main differences in the different branches of the Minnesota Shorthorn organizations are milk and horns. We, the Minnesota Shorthorn Breeders Association have not lost either the milk or the horns.

We have also grown as an association until we now have 535 breeders in the state, 135 of them are members of the State association. Living up to Article II of our corporation we have assembled for this June 11th sale sixty head of outstanding Shorthorns, 30 bulls and 30 females, many of the females either have calves at side or are carrying calves ready to drop them. Among the bulls, many are good enough to be used in any herd as herd sires. There are offered bulls that are tried and proven sires, younger bulls ready to be used and still younger bulls that show promise. The females can be safely bought either as foundation for herd building or replacement.

There will be a Shorthorn banquet on the night of June 10th, at 6:30 p. m. at the Wellington hotel. We invite and urge all that are interested in Shorthorns to be at the banquet June 10th, 630. Gilbert Elken, Jr. of Eldak Farms, Mayville, N. Dak., who this year has judged at Denver, Spokane, Canada, Des Moines, and Sioux City will be the banquet speaker. Show, June 11th, 9:00 a. m., sale 1:00 p. m.

NORMAN T. FINDAHL, Sales Manager.

TERMS AND CONDITIONS OF SALE

SALE TERMS—

Cash, except when arrangements have been made with the consignor, before the sale. Settlements to be made with the clerk immediately after the sale, but it shall be understood that the Association assumes no liability, legal or otherwise, and the guarantee and terms shall constitute a contract between consignor and purchaser of each lot. All stock at buyer's risk, as soon as bid off, but the management will carry out buyer's instructions in loading and shipping as nearly as possible.

GUARANTEE—

All cattle sold subject to a sixty-day test for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls over 20 months on sale day are guaranteed breeders, if not allowed to run with herd. If a bull fails to breed he may be returned to the breeder, if in as good condition as when bought, and if after a test in the seller herd he fails to breed he will be replaced or purchaser's money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made. All other cows and heifers over 16 months of age at the time of the sale are guaranteed breeders. An animal returned to seller because it does not comply with the guarantee will be at buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made with the seller within ninety days of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sales manager, the clerk of the sale assume no liability, legal or otherwise.

PEDIGREES AND CERTIFICATES—

A certificate of registry and a transfer will be furnished with each lot sold, and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Footnotes appearing in the catalogue concerning each lot furnished by the consignor or from information given the sale manager by the consignor.

SHOW CLASSIFICATION

At 9:00 P. M. June 11, 1948

Homer Clausen of Clausen Bros., Spencer, Iowa
Will Judge the Following Classification

The prize money this year amounts to \$210.00, made possible by the aid of the Blue Earth Civic and Commerce Association, and a pool of money received from the consignors themselves.

We have two aims in view in putting on this competition for premium money, judged by a competent judge of cattle:

First—to show the consignors the competition value of the cattle they have consigned with others in the show, thus encouraging them to bring better cattle each year to the sale.

Second—we will sell the cattle in the ring in the same order as the judge placed them in the show ring, so that a buyer who does not feel that he himself is competent to judge which one is best, can, in this way use the experience of the judge as to which one is the better.

NOTICE

The Minnesota Shorthorn Breeders announce the coming of a Regional Consignment Shorthorn sale to be held at Redwood Falls, Minn., October 9th. We already have 35 entries and welcome any one of you to send entries for the sale now.

We also have entries of 35 bull calves, steer calves and registered heifers for a 4-H Club calf sale. We believe this the first try at a Breed 4-H sale and should be supported by all lovers of Shorthorns. We will accept entries from anyone who has anything suitable for either of these sales. Send entries now to Norman T. Findahl, Waterville, Minn., The sooner you enter the better the publicity.

SHORTHORN INTERNATIONAL

The Swing is to SHORTHORNS

Not ONE — but THREE Consecutive International Grand Champion Steers Over All Breeds Under Three Different Judges!

1. Shorthorns this year enjoyed their greatest year in steer triumphs in interbreed competition throughout the nation.
2. Demand for Shorthorn bulls for cross-breeding has been the greatest in modern history topped off by the highest record in bull sale averages in 30 years at the International Shorthorn Congress sale.
3. The average price for Shorthorns at auction in 1947 went up 24 percent.
4. New members in the American Shorthorn Breeders' Association hit a new all-time high of 2,333 in 1947. In six years Association membership has doubled over the entire number for all previous time up to that date.
